

06_CLIENT_ONBOARDING_GUIDE.md — Client Onboarding Guide

RAFly Digital Growth

Welcome to Your Digital Growth Journey

1. YOUR PROJECT ROADMAP

Welcome to RAFly! Here is a transparent breakdown of how your project will proceed from kickoff to launch:

1. Kickoff Call & Access Lock ■■> 2. Requirements & Content Lock ■■> 3. Staging Build ■■> 4. Review & Revisions ■■> 5. Final Launch

2. WHAT WE NEED FROM YOU AT KICKOFF

To prevent project delays, please collect and share the following items during Week 1:

1. **Brand Assets:** Vector logos (.SVG / .PNG), brand color guidelines, and existing media assets.
2. **Access Credentials:** Domain registrar login, DNS manager access, current web hosting credentials (if applicable).
3. **Copy & Content:** Core company descriptions, team profiles, service details, and image assets.
4. **Designated Point of Contact:** Name and WhatsApp number of the single decision-maker authorized to approve milestones.

3. COMMUNICATION CHANNELS

- **Primary Communication:** Dedicated Client WhatsApp Group for quick daily updates.
- **Formal Milestone Approvals:** Email updates sent to your designated project lead.
- **Emergency Triage:** Direct hotline number for active production issues.
