

10_LEAD_QUALIFICATION_SOP.md — Lead Qualification Standard Operating Procedure

Objective: Filter inbound leads into High Fit, Medium Fit, and Disqualified categories within 15 minutes of submission.

1. QUALIFICATION SCORING MATRIX (0 - 100 SCALE)

Criterion	Points
Business Legitimacy (Verified company/website)	+20 pts
Budget Alignment (Budget $\geq$ \$25,000 or Retainer $\geq$ \$10,000/mo)	+30 pts
Urgency (Need within 1-4 weeks)	+20 pts
Decision Maker Direct Contact (CEO/Founder/Director)	+15 pts
Technical Fit (Build, Protect, Grow alignment)	+15 pts

Action Thresholds:

- **Score $\geq$ 70 (HIGH FIT):** Schedule 15-Minute Discovery Call within 4 hours.
- **Score 40 - 69 (MEDIUM FIT):** Send Automated Audit / Nurture Sequence via Email/WhatsApp.
- **Score < 40 (LOW FIT / DISQUALIFIED):** Politely decline or refer to template solutions.

2. DISQUALIFICATION LIST CHECKLIST

Reject leads matching any of these flags:

- ☐ Budget < \$15,000 for custom development.
- ☐ Refusal to sign SOW or pay 30% deposit.
- ☐ Demands for unlimited revisions or zero contract.
- ☐ Illegal, gambling, or copyright-infringing business models.

3. CRM INTEGRATION & AUTOMATED LEAD ROUTING

- Source Attribution:** Capture UTM parameters (`utm_source`, `utm_medium`, `utm_campaign`) on all web form submissions.
- CRM Field Mapping:** Automatically populate `leads` database table (`company_name`, `contact_email`, `budget_bracket`, `urgency_level`).
- Automated Response SLA:** Trigger automated WhatsApp acknowledgment within 60 seconds; assign sales owner within 15 minutes.
